1912
Established in NYC as a supplier to NY Port Authority for bridges, representing Bethlehem Steel in the NYC area

1930
Expanded product line to smaller diameter products

1950
First documented evidence that IRFCO became known and named by its customers as the "RivetKing"

1968
General Rivet manufacturing opened for business and would ultimately be purchased by IRFCO in 1992. General Rivet manufactured solid and semi-tubular rivets and developed a semi-tubular product line for small electronics.

1990
Expanded domestic manufacturing facility, renamed it RivetKing Manufacturing

2000
Expanded product line to include blind rivets and blind threaded inserts. Established warehousing in Mexico

2008
Significant technology upgrade to conform to ISO 17025 in quality control and engineering, including purchase of salt spray, force, and micro hardness testing equipment.

2011
IRF Japan and IRF Australia opened

2012
100 Year Anniversary and launch of Green Initiative

2010

1914
Began carrying stock to support demand

1944
Developed specialty fasteners to support war efforts

1962
Sales and marketing developed the RivetKing brand into an entire product line

1975
Established IRF Taiwan as manufacturing arm for production

1998
Moved corporate headquarters to Northvale, NJ combining manufacturing and distribution functions. Became ISO9001

2009
IRF Germany opened

2005
10 new domestic warehouses opened in Texas, California, Kansas City, Canada, Denver, Salt Lake City, and Chicago

2010
Developed the database logging and live retrieval of force testing, dimensional inspection and salt spray testing data

100 Years Later... and We're Still Revolutionizing the Industry

Your job is to help your customers make smart business decisions.

Ours is to give you the tools that help you do just that. Tools like KingSet, our most versatile and efficient handheld riveting system.

KingSet is designed specifically to adapt to a wide array of manufacturing environments and engineered to work across a variety of application ranges. But that's not even the best part.

KingSet:

- Is twice as fast as other handheld tools – and oftentimes faster
- Can be used to set most breakstem blind rivets pre-loaded on a tape
- Comes with an unprecedented three year warranty

Now that's smart!

Call us today to find out how you can help your customers work better and faster with KingSet.
