

Statement of Compliance with TSCA Section 6(h)

As a leader in the fastener industry, Industrial Rivet & Fastener Co. (IRF) is dedicated to upholding the highest standards of safety and compliance. We take our obligations under the Toxic Substances Control Act (TSCA) seriously and are committed to ensuring that our products and processes meet the regulations and guidelines set forth by the TSCA. We regularly review and update our procedures and materials to maintain TSCA compliance and provide our customers with safe and compliant fastener products.

We maintain close relationships with our suppliers and rely on their adherence to their legal responsibilities in informing us of any TSCA requirements. In accordance with TSCA regulations, we also inform our non-US based suppliers of any substances causing particular concern from the candidate list.

To the best of our knowledge, we have no products in our supply chain that contain Persistent, Bioaccumulative, and Toxic Chemicals under TSCA Section 6(h) from 06/16/2021, including:

- Phenol, isopropylated phosphate (3:1) (PIP (3:1)) – CAS# 68937-41-7
- Decabromodiphenyl ether (DecaBDE) – CAS# 1163-19-5
- 2,4,6-tris(tert-butyl)phenol (2,4,6-TTBP) – CAS# 732-26-3
- Hexachlorobutadiene (HCBd) – CAS# 87-68-3
- Pentachlorothiophenol (PCTP) – CAS# 133-49-3
