

Declaration of Conformity to US Executive Orders and EU Regulations on goods manufactured in, or originating from Russia and certain surrounding regions.

US Executive Order 14065 and European Union Regulations, EU 2022/428 and EU 2022/355 restrict importation of goods from Russia, Belarus, and the following areas of Ukraine, including Crimea, Donetsk People's Republic (DNR), Luhansk Peoples Republic (LNR).

Industrial Rivet & Fastener explicitly supports the US and EU orders, and this self-declaration is based on our awareness of changing conditions and our knowledge of the materials used in the procurement and production of our products.

Industrial Rivet & Fastener has no direct sources of products or materials from these regions. This notice serves as a notice to our customers and suppliers that all materials manufactured in, or originating from Russia, Ukraine or Belarus is explicitly restricted. Any attempt to ship goods found to have come from the sanctioned areas which are not in full compliance with the US executive order and EU regulations mentioned above will be rejected and returned to the supplier at the supplier's cost.

For any questions or concerned, please contact quality.manager@rivet.com.
